MEWOL 350

Name
INCI : Paraffinum Liquidum
: White oil - Paraffineolie - Liquid Petrolatum - Paraffinum Perliquidum

Properties
MEWOL 350 is highly refined using a precise, modern process, resulting in a medicinal-grade product that exceeds the purity standards set by various national and international pharmacopoeias.
Its quality comfortably meets the requirements of the FDA (Food & Drug Administration, USA).
Naturally, MEWOL 350 is completely colorless, odorless, and tasteless, and is free from aromatics.

MEWOL 350 is not subject to animal testing as specified in the Cosmetics Directive 76/768/EEC, including its 7th Amendment Directive 2003/15/EC. Furthermore, the equipment used for its production, storage, and transport does not come into contact with material of animal origin. Due to its physical properties, MEWOL 350 is suitable for incidental contact with food.

Applications
MEWOL 350 is a high-quality, highly refined medicinal paraffin oil for use in the pharmaceutical, cosmetic, and industrial sectors. Mewol 85 is used in, among other things:
- laxatives - ointments - creams - lotions - hair dressings - baby oils - skin care oils - massage oils - suntan oils - food preparation - plastics - rubber - compressors - precision mechanical equipment - lubrication of machine parts that may come into contact with food.
