SYNLUB EHPD EXTRA 5W30

Description

This top quality fuel-saving diesel engine oil is based on the latest additive technology in combination with specially selected synthetic base oils. The ultra-thin protective oil film retains its excellent protective properties over a wide range of temperatures. The engine oil has high shear resistance, cutting down on maintenance costs by further extending drain intervals.

- Full aftertreatment system protection
- Fuel economy and CO2 reduction
- Outstanding engine cleanliness and durability

Application

Synlub EHPD Extra 5W30 is a high-quality and fuel-saving high-performance engine oil for commercial vehicles (diesel Euro I-VI) with extremely long service intervals due to Scania's LDF-4 (Long Drain Field) specification, as well as further OEM specifications. This product is based on PAO (polyalphaolefin). Can also be used in Volvo 13L Euro 6 Step D engines for which an oil with VDS-5 specification is prescribed.
